PERSONAL INFORMATION

Full Name: [John Doe]
Address: [No. 12, Jalan Example, 43000 Kajang, Selangor, Malaysia]
Phone Number: [+60 12-345-6789]
Email Address: [johndoe@example.com]
LinkedIn: [linkedin.com/in/johndoe]
GitHub/Portfolio: [github.com/johndoe]

OBJECTIVE

Fresh graduate with a Bachelor's degree in Software Engineering, seeking an entry-level position in software development. Passionate about coding, software testing, and delivering efficient solutions.

EDUCATION

Bachelor of Software Engineering
Universiti Putra Malaysia (UPM)
Graduation Date: [July 2023]

- **CGPA:** 3.75/4.00

- **Key Courses:** Software Testing, Data Structures, Database Management, Web Development

---

SKILLS

Programming Languages: Python, Java, C#
Software Testing Tools: Selenium, JUnit, Postman
Web Development: HTML, CSS, JavaScript, React.js
Databases: MySQL, MongoDB
Version Control: Git
Methodologies: Agile, Waterfall

PROJECTS

1. Automated Test Framework for E-Commerce Platform

- Developed an automated testing framework using Selenium for functional and regression testing.

- Achieved a 95% test coverage rate across the application.

2. Bug Tracking System

- Created a bug tracking web application using React.js and Node.js to manage software bugs and resolutions.

- Integrated with MySQL for data storage and retrieval.

3. Inventory Management System

- Designed a desktop application for inventory management using Java and Swing.

- Implemented unit tests with JUnit to ensure code reliability.

INTERNSHIP EXPERIENCE

Software Quality Assurance Intern
[Tech Solutions Sdn Bhd, Cyberjaya]
[January 2023 – June 2023]

- Conducted functional testing and prepared test cases based on user requirements.

- Automated repetitive test cases using Selenium and Python.

- Worked closely with developers to resolve bugs and improve application performance.

ACHIEVEMENTS

- Certified Tester Foundation Level (CTFL) by ISTQB: [Year]

- Dean's List Award for Academic Excellence: [Year(s)]

- Finalist, Malaysia National Coding Challenge: [Year]

EXTRACURRICULAR ACTIVITIES

Committee Member, UPM Software Engineering Society
[September 2021 – June 2023]

- Organized a "Bug Bounty" hackathon, attracting over 50 participants.

Volunteer, Teach For Tech Malaysia
[June 2022 – September 2022]

- Conducted basic programming workshops for secondary school students.

LANGUAGES

- **English:** Proficient (TOEFL: 110)

- **Malay:** Native

- **Chinese:** Conversational
